

*“Dear Students,*

*Please ignore email from Dr. S.Garg as the instructions of the UGC is not applicable to the students who got admission prior to January, 2020. The UGC has withheld the fresh admissions under ODL mode of University for academic session beginning January, 2020 for want of compliance to certain deficiencies pointed out by UGC.*

*You need not worry about your present admission already made before January, 2020.*

*We have already submitted compliance and approval is awaited even for fresh admission in 2020-2021.*

*Best Wishes*
