Guidelines for Master of Computer Application (5 yrs Integrated course)

On

Preparation and submission of Minor Project Report (MCA-308) Directorate of Distance Education Guru Jambheshwar University of Sciences & Technology, Hisar

Project Selection:

As per syllabi of MCA (5 Yrs. Integrated course) distance education, each student of MCA has to submit a Minor Project Report at the end of 3rd year selecting one of the current topic from his/her specialization area. The Project Report should have substantial computing contents with Ppractical-oriented in object oriented language (C++ or Java). Each student is to take up a Project individually.

Selection of Supervisor:

Each student is required to choose a guide/research supervisor. The supervisor must have Master's Degree (M.C.A., or M.Sc. or M.Tech.) or with higher qualification in the relevant field working as regular teacher in Govt./Semi Govt institute/University/Engg. College or in IT industry with five years of experience.

Some important points to be carried out in Project.

The work that is submitted for evaluation and viva-voce for examiners should be your own work.

Students are advised to pay an attention on the level of quality of their English.

The project report may be about 60-75 pages (excluding coding).

If the project related to application area with which a computer scientist would not be familiar - such as Electronics, chemical, Stock & Shares etc., in such a case it might be necessary to include some explained company/organization profile and might be mentioned in Appendix Part. But your project work should be focused on computer science.

Project submission:

The Project Report of the students should be simple tape binding with chart paper as it cover. The color of the chart paper used on cover should be sky blue with golden print. One copy of project report (typed in word processing software) must be submitted to the office in the single copy (without CD) up to 31.03.2018 without late fees. In case failing to submit the project report on said date, late fee as per university rules will be charged. Last date to submit the project report with late fee of Rs. 1000/- is up to 30.04.2018 and with late fees of Rs. 2000/- is up to 31.05.2018 through the study centres concerned through whom the candidates have enrolled. Those students, who are enrolled direct with the university, can directly submit the Project Report to the Directorate. In case, if the candidate is fail to submit the project report by the above mentioned dates, he/she will be treated as absent.

The Project reports to be submitted should be printed on the both sides of A4 (executive bond) paper. A margin of 1.5 inches must be allowed on the left hand side on each page of the report. It should be printed on 11-12 font sizes with vertical spacing 1.5. All the pages should be numbered at the centre of the bottom of each page.

The project report should broadly include:

Cover page: format shown in figure 1.

Title Page: inside the project report format shown in figure 2.

Table of Contents.

Declaration of the students: As refer to ANNEXURE I.

Certificate issued by the supervisor: As refer to ANNEXURE II.
